

The Natchez Series

Fiberglass Carriage House Garage Doors

*Shown above in Sandstone
and White on the right.*

The **Natchez** is a sandwich type door with a R-16 Urethane core and a white steel inside skin. The beaded vertical panel grooves, and the arched (or square) top sections, set this model apart as distinctly Carriage House. Yet the appearance complements a broad range of home designs with the addition of high definition molded Recessed Panels. A very accurate reproduction of high end wood doors with all the advantages of precisely molded, long lasting, dent resistant, and virtually maintenance free Molded Fiberglass!

Kevmar Limited Warranty

Raised Panel Molded Fiberglass Door Sections

Kevmar hereby warrants the above fiberglass door sections for as long as the original end user (homeowner) owns the home the doors were installed in, against any structural failure causing the door to become inoperable.

All factory-applied finishes are warranted for a period of **three (3) years** against any defects in material and workmanship. Kevmar will not be responsible for any customer supplied or applied finishes or coatings.

In the event the sections are defective, send a claim in writing to:

Kevmar Mfg. 188 E CR 600 N Arthur, IL 61911

within **fifteen (15) days** of the discovery of the suspected defect.

After notification, Kevmar shall then be permitted to inspect the doors, and upon verification of a defect, will repair or replace at it's option the defective section(s).

This limited warranty excludes any and all damages caused by scratches, exposure to chemicals, fumes, condensation, fire, improper use, negligent operation, improper installation, lack of maintenance or damages resulting from causes beyond manufacturer's control.

Kevmar shall not be responsible for any incidental or consequential damages arising out of any breach of this express limited warranty. Warranty does not cover any field labor costs.

This warranty supersedes and replaces all warranties previous to 9/01/11.
