

The Laramie Series

Molded Fiberglass Garage Doors

The door shown above is Woodtone Oak.

The door on the right is solid White.

The beauty of a high definition classic wood door in durable, weather resistant, molded fiberglass. The core of the **Laramie** is filled with R-15.07 Urethane insulation. More economical than wood, yet long lasting. This model is easy to field finish with any high quality latex house paint, or you can have it factory finished in your choice of three wood tone colors or seven solid colors. This beautiful, high definition and impact resistant door doesn't dent, rattle, or rust. The outside skin is molded fiberglass!

Kevmar Limited Warranty

Raised Panel Molded Fiberglass Door Sections

Kevmar hereby warrants the above fiberglass door sections for as long as the original end user (homeowner) owns the home the doors were installed in, against any structural failure causing the door to become inoperable.

All factory-applied finishes are warranted for a period of **three (3) years** against any defects in material and workmanship. The homeowner is responsible to recoat woodtone stain finishes at 2 year intervals to maintain the warranty. Solid colors do not require recoating.

In the event the sections are defective, send a claim in writing to: **Kevmar Mfg. 188 E CR 600 N Arthur, IL 61911** within **fifteen (15) days** of the discovery of the suspected defect.

Kevmar shall then be permitted to replace at it's option the defective section(s).

This limited warranty excludes any and all damages resulting from causes beyond manufacturer's control.

Kevmar shall not be responsible for any incidental or consequential damages arising out of any breach of this express limited warranty. Warranty does not cover any field labor costs.

This warranty supersedes and replaces all warranties previous to 1/17/17.
